

WE'RE HIRING!

OB/GYN Sonographers

Women's Healthcare Associates, LLC
Portland, Oregon

WHA is a private group practice in Portland, Oregon. We provide obstetrics, gynecology, midwifery and wellness care to more than 50,000 people each year from 16 different clinic locations throughout the metro area. With 23 rooms featuring new Philips Healthcare equipment, our ultrasound department works as an independent group within our larger practice. Here, you'll:

- Be an integral part of the care team, supporting our patients and working hand-in-hand with our clinicians, including maternal-fetal medicine specialists.
- Have the opportunity to develop your skills and knowledge over time to include more complex scanning.
- Be supported through regular equipment upgrades, ergonomic rooms and Collaboration Live software.
- Be part of an organization dedicated to continuous improvement.
- Have the opportunity to participate in company-wide initiatives, such as employee resource groups, community involvement partnerships and professional development training.
- Be close to everything the region offers—mountain and coastal adventures, a thriving food and craft beverage community and charming urban neighborhoods.

“ My sonographer took the time to answer my questions and even point out things without me asking. I really felt like I got to know what was going on with my baby.
